## BEST SOUTH AMERICAN SEAFOOD DISHES

TasteAtlas food rankings are based on the ratings of the TasteAtlas audience, with a series of mechanisms that recognize real users and that ignore bot, nationalist or local patriotic ratings, and give additional value to the ratings of users that the system recognizes as knowledgeable...

## 10 Destinations to Top Your Africa Bucket List

Given the size and diversity of the African continent, choosing just 10 destinations for this bucket-list was no easy task. Of course, the places that top your must-see list will depend on your personal interests and preferences, but here's a look at 10 of Africa's most evocative, iconic and unmissable spots...
